DOCUMENT SIZE

All units of measurement are in millimeters as per illustration above.
(Artwork to be supplied at standard yoga mat sizes unless getting a custom design)

CROP & BLEED

Bleed is 15mm to allow for cutting & stitching, as per the illustration above
Text must not be any closer than 12.5mm from the edge of the actual size
We suggest you continue image background all the way to the edges of the bleed line.
Downloadable templates available from product page on website.

ARTWORK FILE, COLOURS & IMAGES

Artwork to be supplied in pdf format with 300dpi CMYK colour profiles and all fonts/text must be converted to outlines.

If artwork is provided using Adobe AI or EPS, file must be packaged with 300dpi CMYK colour profiles. Please ensure files are packaged with all image links and fonts before sending. Fonts used should be converted to outlines.
