Additional Care & Instructions

- 1- When opening your banner for the first time, take care and attention but also take your time. Slowly take all the accessories out of the bag and check that you have all the parts.
- 2- When putting up, ensure that the printed media is handled carefully.
- 3- Do not attached anything to the media that is not meant to be on there (i.e. No tape, media, velcro, etc...) Adding other adhesive may damage the surface of the media and the printing too.
- 4- When packing your table inside the bag, ensure that you roll the media up carefully.
- 5- Do not wipe the media with any chemicals as this may also damage the surface and the print. You can however use a soft cloth, slightly damp with water to wipe any dirt or dust.
- 6- MIS-handling and failure to follow the instructions will result in handling damage which will not be covered under our warranty.
